Sababa & Trips

Sababa is a five day program exposing entering 9th grade campers to challenging and enriching experiences. Experts in hiking, biking, performing arts, Ultimate Frisbee, jewelry making, and outdoor cooking will engage our campers in four intensive days out of Camp exploring these diverse disciplines.

Campers entering 10th and 11th grades enjoy one to two, depending on their grade, extended trips out of Camp. Past summers have included trips to Baltimore, Pennsylvania, Niagara Falls and Ohio.
